Grade Span: K-6

Principal: Elizabeth Gosnell

This executive summary of the School Accountability Report Card (SARC) is intended to provide parents and community members with a quick snapshot of information related to individual public schools. Most data presented in this report are reported for the 2010-11 school year, School Finances are reported for the 2009-10 school year. Contact information, facilities, curriculum and instructional materials, and select teacher data are reported for the 2011-12 school year. For additional information about the school, parents and community members should review the entire SARC at www.nsd.us or contact the school principal or the district office to request a copy.

I. About This School

Lincoln Acres School is a kindergarten through 6th grade elementary school located in a community southeast of National City. Our student population is rich in cultural diversity. We have a preschool, located adjacent to the school. We have 3 special education classes and 25 general education classes.

Lincoln Acres has an excellent staff of teachers, aides and support personnel who are committed to creating the best possible educational experience for your children. Effective teaching practices, the use of technology and standards based instruction support an educational environment where all children will learn and thrive. Our efforts have been focused on increasing student achievement at all levels and for every student. At Lincoln Acres we believe that the collaboration between teachers and administration and our ability to identify and address educational needs using data, facilities student achievement. Our focus on the California content standards and the effective use of state adopted curriculum allows us to provide educational opportunities that meet the needs of every student at Lincoln Acres. With the continued effort of the part of the school community, which includes the support of parents and community members, we will continue to provide a safe, nurturing environment that supports student learning.

This dedicated staff has provided many extra hours above and beyond the regular school day to provide additional support to your children. Many teachers tutor before and after school to help students with math, reading and English Language Development. In addition to these extended learning opportunities, Lincoln Acres has a before and after school program. WINGS, the Winners Growing Strong before and after school program, provides enrichment, homework help and student supervision on our campus from 6 a.m. to 6 p.m. on school days.

Lincoln Acres has an active Parent Teacher Student Organization. We are thankful to have such a core group of dedicated parents to help us support our educational program. This year as in years past, our parents supported the many social activities for families. Parents and community members are always welcome to volunteer at Lincoln Acres School.

Elizabeth Gosnell

At Lincoln Acres School,

We Promise

- A safe, nurturing learning environment
- An active partnership with parents and community

VI. School Facilities (2011-12)

Summary of the Most Recent Site Inspection:

As part of the school accountability report card, school districts and the county office of education are required to make specified assessments of school conditions including the safety, cleanliness, and adequacy of school facilities and needed maintenance to ensure good repair. The certification that a school inspection system has been established to ensure that each of its facilities is maintained in good repair is required in order to participate in the School Facility Program and the Deferred Maintenance Program. On August 16, 2011 the facilities validation site visit was conducted at Lincoln Acres School. Based on the field observations no deficiencies were found.

VII. Curriculum and Instructional Materials

In accordance with Education Code Section 60422(a) and 60119, the Governing Board certified on August 24, 2011 that each pupil in the district, in kindergarten through grade six, has been provided with a standards-aligned textbooks or basic instructional materials in each of the areas listed below.
