SCHOOL VOLUNTEERS & VISITORS**

National School District monitors on a weekly basis, COVID-19 guidance from the California Department of Public Health (CDPH), California Department of Education (CDE), San Diego County Health and Human Services Agency, Public Health Services (PHS) and San Diego County Office of Education (SDCOE).

CAMPUS VOLUNTEERS AND VISITORS

In person volunteers/visitors are not permitted on campus until further notice. Only in exceptional circumstances will meetings be conducted in person and must be pre-approved by site administrator. We will resume volunteers/visitors on campus. Initially volunteers/visitors to campus will be extremely limited. Allowing volunteers/visitors on campus will be a phased-in approach based on current safety regulations for physical distancing. All visitors to campus, including parents, will be screened. Those showing symptoms of COVID-19 will not be allowed to access the campus. There will be training to ensure volunteer/visitors follow established protocols.
