From time-to-time writings that are public records, which are related to open session items on an agenda for a regular meeting, may be distributed to school board members after the posting of the agenda. Whenever this occurs, such writings will be available for public inspection in the office of the Superintendent located at 1500 N Avenue, National City, California, 91950.

Speaking to the Board

If you wish to speak to the Board, please fill out a “Request for Oral Communications” card located on the table at the entrance to the Board Room and give it to the Recording Secretary. Board policy and state law stipulate that no oral presentation shall include charges or complaints against any employee of the District, including the Superintendent, regardless of whether or not the employee is identified by name or by another reference which tends to identify. California law requires that all charges or complaints against employees be addressed in Closed Session unless the employee requests a public hearing. All such charges or complaints therefore must be submitted to the Board under the provision of the District’s policy. At the appropriate time, the Board President will invite speakers to approach the podium. Please use the microphone and state your name and address. This information is necessary in order to maintain accurate records of the meeting. Speakers are requested to limit their remarks to three minutes.

Compliance with Americans with Disabilities Act

The National School District, in compliance with the Americans with Disabilities Act (ADA), requests individuals who may need special accommodation to access, attend, and/or participate in Board meetings to contact the Superintendent’s Office at 619-336-7705 at least 48 hours in advance of the meeting for information on such accommodation.

The National School District is committed to providing equal educational, contracting, and employment opportunity to all in strict compliance with all applicable State and Federal laws and regulations. The District official who monitors compliance is the Assistant Superintendent--Human Resources, 1500 N Avenue, National City, California, 91950, phone 619-336-7722. The Superintendent certifies that such reviews have been conducted and a copy must accompany the Interim Report when it is submitted to the Governing Board for approval. After the Interim Report is approved, it is submitted to the San Diego to County Office of Education for review. Interim Financial Reports are required each fiscal year with effective dates of October 31 and January 31. The District is allowed 45 days from the effective date to report to the Board.

Comments: The Report is designed to inform the Governing Board, public and other interested parties about the financial condition of the District. The information is used to process budget revisions necessary to reflect current and projected conditions and to provide a certification of the District's ability to meet its financial obligations. Itemized revisions reflect General Fund revenue and expenditure adjustments since the September 11, 2019 Budget Revisions.

FUND BALANCE RESERVES

The District meets the 3% minimum reserve required for economic uncertainties.

NEGOTIATIONS

Negotiations are currently settled with National City Elementary Teachers Association (NCETA) and California School Employees Association (CSEA) for the 2019-20 school year.

MULTIYEAR PROJECTIONS FOR 2019-20, 2020-21 and 2021-2022

Projections indicate that the cash and fund balances of the District, after cash borrowing, will be positive for the budget year and two subsequent years.

Recommended Motion: Approve the Positive Certification and Budget Revisions for the First Period Interim Financial Report as of October 31, 2019 (Exhibit B).

If District chooses to issue Bonds through a negotiated bid process:

APPENDIX A:

DISCLOSURES REQUIRED UNDER MSRB RULE G-10 AND G-42

Required Disclosures. MSRB Rule G-10 and G-42 require that DS&C provide you with the following disclosures of actual and potential material conflicts of interest, of information regarding certain legal events and disciplinary history, and of information regarding municipal advisory client education and protection.

- 1) **Disclosures of Conflicts of Interest.** DS&C makes the following disclosures with respect to material conflicts of interest in connection with the Scope of Services under its Agreement with the District, together with explanations of how DS&C addresses or intends to manage or mitigate each conflict. To that end, with respect to all of the conflicts disclosed below, DS&C mitigates such conflicts through its adherence to its fiduciary duty to the District, which includes a duty of loyalty to the District in performing all municipal advisory activities for the District. This duty of loyalty obligates DS&C to deal honestly and with the utmost good faith with the District and to act in the District's best interests without regard to DS&C's financial or other interests. The disclosures below describe, as applicable, any additional mitigations that may be relevant with respect to any specific conflict disclosed below.
 - a) **Compensation-Based Conflicts.** The financial advisory fees due under DS&C's agreement with the District are contingent upon the completion of the financing for which DS&C is providing municipal advisory services and may be based on metrics such as refunding savings. While this form of compensation is customary in the municipal securities market, this may present a conflict because it could create an incentive for DS&C to advise the District to complete a financing or to alter the structure of a financing. This conflict of interest is mitigated by our fiduciary obligation to the District as described above. Further, DS&C works closely and carefully with the District to ensure the structure of the financing is appropriate for the District's needs.
 - b) **Related Disclosure Relevant to the District.** DS&C may have made contributions to bond referendum campaigns or provided in-kind election-related assistance to bond referendum campaigns and the campaigns resulted in voter authorization for an issue under DS&C's agreement with the District. Similarly, DS&C may have made contributions to charitable organizations at the request of personnel of the District. The District may wish to consider any impact such circumstances may have on how it conducts its activities with DS&C under its Agreement.
 - c) **Other Municipal Advisor Relationships.** DS&C serves as municipal advisor to other municipal advisory clients and, in such cases, owes a regulatory duty to such other clients just as it does to the District under its agreement. These other clients may, from time to time and depending on the specific circumstances, have competing interests, such as accessing the new issue market with the most advantageous timing and with limited competition at the time of the offering. In acting in the interests of its various clients, DS&C could potentially face a conflict of interest arising from these competing client interests.
- 2) **Disclosures Regarding Legal Events, Disciplinary History and Client Education and Protection.** MSRB Rule G-42 requires that municipal advisors provide to its clients certain disclosures of legal or disciplinary events material to the clients' evaluation of the municipal advisor or the

integrity of the municipal advisor's management or personnel. Additionally, MSRB Rule G-10 requires that municipal advisors provide to its clients certain disclosures of education and protection information. Accordingly, DS&C sets out below required disclosures and related information in connection with such disclosures.

- a) **Registration.** DS&C is registered with the US Securities and Exchange Commission and the MSRB. The website for the MSRB is www.msrb.org.
- b) **Client Brochure.** A municipal advisory client brochure is available to you on the MSRB website that describes the protections that may be provided by the MSRB rules and how to file a complaint with an appropriate regulatory authority.
- c) **Material Legal or Disciplinary Events.** There are no legal or disciplinary events that are material to the District's evaluation of DS&C or the integrity of DS&C's management or advisory personnel disclosed, or that should be disclosed, on any Form MA or Form MA-I filed with the SEC.
- d) **Most Recent Change in Legal or Disciplinary Event Disclosure.** As required by the SEC, DS&C regularly updates its Forms MA and MA-I with information pertinent to the firm. In response to item 6(g)(2) on the Form MA-I for Dale Scott, DS&C has filed notice regarding a non-public, fact-finding investigation by the SEC which is currently ongoing.
- e) **How to Access Form MA and Form MA-I Filings.** DS&C's most recent Form MA and each most recent Form MA-I filed with the SEC are located on the SEC's EDGAR system by searching for "Dale Scott & Co" at:
<https://www.sec.gov/edgar/searchedgar/companysearch.html>
