

Dear Parents and Guardians:

It's that time of year when we prepare to begin a new school year. Can you believe the 2019-2020 school year is about to begin. That's right! July 22 is the first day of school. Like last year, you will be able to enter the school, and meet your child's teacher. There will be a meeting for TK and Kindergarten in the cafeteria from 8:30-10:00. We will have a presentation to inform you on what you can expect. Please bring your questions.

It was such a pleasure working with you and your children throughout my first year at Lincoln Acres. I am so excited for the 2019-2020 school year. There are numerous adjustments that we are making to improve learning, support our students, and partner with our parents. We value you as your child's first teacher, and life-long teacher. We encourage you to participate in our organizations; such as PTA and School Site Council. We also have numerous opportunities to be involved in your child's education by volunteering and attending our school functions.

Lastly, attendance and punctuality are critical components to the success of our children. Class begins at 8:15 sharp. Please have your child here on time, and be sure they have time to eat breakfast in the school cafeteria or at home.

Respectfully,

Mr. Ruiz

Principal
