April 11<sup>th</sup> – April 22<sup>nd</sup> – REACH applications will be accepted for the enrollment process.

- Applications received before or after these dates will not be eligible for initial consideration.
- Applications must be submitted via the link by a parent/guardian.
- After the online application is submitted, the parent/guardian will be contacted by the YMCA in order to schedule an appointment to complete the YMCA **waiver** form. This step must be completed in order to be considered for the 2022–2023 REACH program
- Submitting an online application DOES NOT guarantee enrollment.

Starting **April 25<sup>th</sup> - April 29<sup>th</sup>, 2022**, All REACH applications will be reviewed by REACH staff and school personnel. Each REACH program has a maximum number of students that they are able to serve. Students will be enrolled based on the rating system detailed below, first come first serve basis, and up to the capacity for each school's program. If the program receives more applications than spaces available, first priority for participation will be given to applications with the most points. Once the REACH program has reached its capacity, students not accepted for participation will be placed on a wait list, in the same order of priority, and will be accepted as space becomes available.

<b>ALL STUDENTS WILL ONLY FALL INTO ONE OF THE FOLLOWING TWO OPTIONS:</b>	
Student participated in the REACH program during the 2021-2022 school year.	2 Points
<b>Or</b> student was on the waitlist for the REACH program in the 2021-2022 school year.	1 Point
