

Regular Ed Bus Stops for National School District

School bus stops are allocated based on board policy 3541: Transportation Routes and Services.

Students qualify based on their home address and walking distance to/from their home school. Most of our schools are within the allowable walking distance however the below listed schools have homes outside that distance. These schools have neighborhood bus stops in those areas to facilitate transportation to and from school. Please contact your school site to obtain a transportation application if you are interested in using one of the below stops. We do not have additional stops at this time.

School	Stop
Ira Harbison	7th St. & V Ave.
Ira Harbison	Beta St. & Mesa Ave.
