The 20th Anniversary Summit is a professional learning opportunity to gain knowledge about leadership development and policy updates to help advance children's education nationwide, with a focus on Latino youth and those who have been historically marginalized. The conference will be held in San Antonio, Texas on October 4-6, 2023.

GASB No.75 Actuarial Valuation Report

GASB 75 requires a full actuarial valuation at least every two years for post-employment benefits. The term "post-employment benefits" refers to benefits earned during employment but used after employment has ended. The most common example of post-employment benefits, other than pensions, is retiree health benefits. Sandy Dekalb from Nyhart provided Trustees with a brief presentation. Trustees voted unanimously to accept the report.

Governing Board Highlights are a summary of recognitions, presentations, discussions, and

important decisions from recent Board meetings. They differ from the meeting minutes, which give a detailed report of Board members present, approvals, vote tallies, etc. Approved meeting minutes are posted on the website along with the Board Meeting Calendar and agendas.
