Facility Presentation

SGPA Architecture and Planning presented an overview of the facility enhancements necessary to maximize accessibility and safety as specified in National School District's 2016 Bond Measure HH. SGPA Architecture and Planning firm presented recommendations from site walks and meetings with district administration to identify priority improvements.

Bond Presentation

Isom Advisors presented the process of selling a new bond series. Considering the complexity of the facility work necessary, as supported by the SGPA Architecture and Planning presentation, Isom Advisors also provided a benefit and cost analysis of selling the remaining bonds available all in one series or in multiple series sales.

The National School District wishes to express its extreme gratitude for the generous donations in support of our students.
