School Description

Las Palmas School is located in National City, California, a close knit community south of San Diego. Las Palmas is a preschool to sixth grade elementary school. Fifty-four percent of our students are English Language Learners and all of our students meet low-income criteria. The staff consists of 32 certificated teachers, 2 impact teachers, 21 classified employees and 6 support staff. We have 28 general education and 3 special education classrooms.

School Mission Statement and Core Values

La Palmas School is more than an elementary school. It is an educational community. The staff, students, and their families are caring, respectful, and work together to provide a high quality education for all children. We believe in the cumulative, purposeful effect of our instruction. We care deeply about our students' education before they come to our classrooms, for the temporary time they are with us, and long after they leave us. Our goal is to provide a nurturing environment that will promote lifelong learners and contributors to our society. We believe in our National School District's three Core Values.

"Children First"

"Whatever it Takes"

"Relationships Matter"

Message from Principal, Sonia Ruan

Welcome to Las Palmas School! We, at Las Palmas, we strive for excellence in education and will provide an inspiring, safe, and challenging environment for all children. It is our goal to "Create Successful Learners Now!" Las Palmas has an excellent staff of teachers, instructional aides, and support staff who are committed to creating the best possible educational experience for your children. Our efforts have been focused on the improvement of student achievement at all levels and for all children. Las Palmas has an amazing Parent Teacher Association. We are thankful to have such a core group of dedicated parents to help us support our educational program.

You, the parents, and community members, are always welcome at Las Palmas. Come by for a visit, meet the staff, and join us as we continue to create a school where all of our students are successful.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

School Facility Conditions and Planned Improvements (Most Recent Year)

Las Palmas' main campus was built in 1955. Since our opening the following major renovations or improvements have been addressed:

- 1993 - Modernization consisting of new flooring, ceilings, lights, electrical, insulation, windows, painting, and cabinetry
- 1997 - Relocatables were added to support class size reduction
- 1998 - Relocatables were added to support class size reduction

Ongoing - The school is highly maintained with new paint, plants, flowers, grass and new playground equipment.

- 2006 - A Computer Lab Relocatable building was added
- 2015 - A high speed and wireless network were added to every classroom on the site.
- 2016 - Air conditioning was added to all original buildings, including every classroom on the site. Additionally, the electrical and the fire alarm systems were upgraded to support the air conditioning and one-to-one computing.
- 2017 and 2018 - Exterior walls have been removed and replaced on many of the portable buildings on the site.

Las Palmas currently has 18 regular classrooms and 17 relocatable buildings

During the summer of 2016, Las Palmas's main buildings were refurbished and updated with modern air-conditioning and heating. This work was made possible through Proposition N school bond funds that were approved by the citizens of National City in 2014.

Maintenance and Repair

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority.

Cleaning Process and Schedule

We have made a conscientious effort to provide a clean and attractive campus. Students are encouraged to have pride in their school and keep the campus clean. The District Governing Board has adopted cleaning standards for all schools in the district. A summary of these standards is available at the school office or at the district maintenance office. The principal works daily with the custodial staff and the custodial supervisor to develop cleaning schedules to ensure a clean and safe school.

The Facilities Inspection Tool (FIT)

The FIT is used on a yearly basis to identify facility needs and repairs. All items found in need of repair on the FIT are addressed. Items that involve asphalt, roofing, flooring or painting are addressed through the District's deferred maintenance program. All other items are expedited into the National School District work order system and repaired by our maintenance department.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

Note: The 2016–17 and 2017–18 data are not available. The CDE is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The CAST was pilot-tested in spring 2017 and field-tested in spring 2018. The CAST will be administered operationally during the 2018–19 school year. The CAA for Science was pilot-tested for two years (i.e., 2016–17 and 2017–18) and the CAA for Science will be field-tested in 2018–19.

Note: Science test results include the CAST and the CAA for Science. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated on both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2018-19)

Las Palmas strives to involve parents in motivating students to love learning and be successful in school. We believe that with parents as team partners, we can make great academic and emotional strides with our children. We offer a variety of classes and workshops to our parents during our Coffee with the Principal meetings. Topics for these meetings include parenting classes, healthy cooking with Olivewood Garden Kitchenistas, how to access and strengthen technology skills, Positive Behavior Intervention and Supports (PBIS), Restorative Practices, Safety, and California Common Core Standards. Parents also have the opportunity to attend the DPAC workshops and CABE Para-Ed/ Parent Conference offered through the San Diego County Office of Education. Our Parent Teacher Association organizes school celebrations such as Fall Festivals, Book Fairs, Read Across America and Movie Night. Las Palmas parents are a key part of our school team.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

Date the plan was last updated: December, 2018

Date the plan was last reviewed with the staff: December, 2018

The Comprehensive Safe School Plan includes data regarding school crime, safe school procedures and compliance with laws including: (1) child abuse reporting, (2) disaster response, (3) suspension and expulsion policies, (4) notification of teachers of dangerous pupils, (5) sexual harassment, (6) schoolwide dress codes prohibiting gang-related apparel, (7) procedures for safe ingress and egress from school, (8) procedures to ensure a safe and orderly environment conducive to learning, and (9) rules and procedures on school discipline adopted pursuant to Ed Code Sections 35291 and 35291.5. A copy of the plan is available for inspection by the public at each school. Our staff is committed to maintaining a safe, secure, and aesthetically pleasing environment for our students. The District's Comprehensive Emergency Disaster Plan is aimed at providing security for students, teachers, and family members in case of unexpected and disruptive events.

Professional Development provided for Teachers

During the 2018-19 school year all teachers at Las Palmas School will receive approximately 30 hours of professional development in mathematics through the University of California Irvine subject matter project. This professional development will empower our teachers to deliver a cohesive, common core curriculum based on the CCSS. The project includes hands-on, research-based professional development, standards-based curriculum guides and unit plans aligned to the Common Core to assist our teachers in the implementation of our GoMath adoption. The Irvine Math Project team is comprised of classroom practitioners, math content experts, and math education researchers. A focus on professional development around the area of mathematics and ELA was selected in response to the needs highlighted in our CAASPP data. In the area of language arts, all of our teachers will receive in-depth professional development in the California ELA/ELD framework. The ELA/ELD framework professional development has been selected as an area of focus due to our high numbers of English language learners and the need for teachers to be excellent discerners of With our new English Language Arts adoption, all teachers will receive staff development in the implementation of our newly adopted BENCHMARK materials. To support daily, robust and rigorous reading, our district office has adopted the American Reading Company 100 book libraries. All teachers will receive staff development on the implementation and best practices used for these reading baskets for students. Our counselors have received training on the Sanford Harmony social-emotional curriculum which they will deliver in each classroom. Counselors will deliver this curriculum in all classrooms while teachers support the implementation and lesson delivery. In addition, all teachers have received professional development on how to run restorative circles in their classrooms in order to deliver Tier I positive behavior interventions and supports to all students

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
