School Description

Dear Palmer Way Families,

I am pleased to welcome you to the 2020-21 school year! I would like to extend a special welcome to all of the new families joining Palmer Way this year and welcome back all of our returning families! I am honored to be your principal for seven years now. Our goal at Palmer Way is to work together to provide our students with a rich learning environment so your child is ready to be successful in their educational future. My vision, as the principal, is to ALWAYS put kids first! My belief is that all students can learn. My hope is that all children will LOVE school and feel nurtured in a learning environment that is positive, safe, caring, as well as a fun place to learn and grow.

Student success is attributed to the partnership and the relationships we build within our community. This is MORE important now more than ever. Without the support of parent contributions through our extraordinary PTA, we would not be able to accomplish all that we do here at Palmer Way. Please consider joining so that we can continue to maintain our reputation for excellence.

Although this year looks different than any other year, we are dedicated to providing your child(ren) a memorable, interactive, engaging distance learning experience. In the Palmer Way spirit, we pride ourselves on being Kind. Now more than ever it is so important to be kind to one another and in our community. Although it looks a little bit different now, I challenge you to be thinking about ways you can be kind.

Please make sure to take advantage of all of the avenues of communication that we offer. To start, the National School Website is full of great information and we urge you to check the website often for news and updates. Make sure to check your email and ClassDojo regularly! We send the vast majority of our communications home via email, Peachjar, and ClassDojo. Your teacher can give you more information on how to sign up for Peachjar. Our PTA also utilizes Facebook, Twitter, and Instagram to share information about upcoming activities.

We hope you will find Palmer Way School is truly a place where learning is joyful and children delight in coming to school. To all of my fellow Panthers, let's make it a great year! Please stay safe and enjoy the last weekend of summer!

See you 'virtually' very soon,

Mr. Denegri
Principal

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

School Facility Conditions and Planned Improvements (Most Recent Year)

Palmer Way's main campus was built in 1967. Since our opening the following major renovations or improvements have been addressed:

- 1997 – Relocatables were added to support class size reduction.
- 1998—Relocatables were added to support class size reduction.
- 1999—Relocatables were added to support class size reduction.
- 2000—Modernization consisting of new flooring, ceilings, lights, electrical, insulation, windows, painting, and cabinetry.

Palmer Way currently has 28 regular classrooms and 12 relocatable buildings.

Maintenance and Repair

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority.

Cleaning Process and Schedule

We have made a conscientious effort to provide a clean and attractive campus. Students are encouraged to have pride in their school and keep the campus clean. The District Governing Board has adopted cleaning standards for all schools in the district. A summary of these standards is available at the school office or at the district maintenance office. The principal works daily with the custodial staff and the custodial supervisor to develop cleaning schedules to ensure a clean and safe school.

The Facilities Inspection Tool (FIT)

The FIT is used on a yearly basis to identify facility needs and repairs. All items found in need of repair on the FIT are addressed. Items that involve asphalt, roofing, flooring or painting are addressed through the District's deferred maintenance program. All other items are expedited into the National School District work order system and repaired by our maintenance department.

School Facility Good Repair Status (Most Recent Year)

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The rate for each system inspected
- The overall rating

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

ELA	55	N/A	43	N/A	50	N/A
Math	40	N/A	33	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-21)

Contact Person Name: Alfonso Denegri

Phone Number: (619) 336-8950

Home/School Partnership:

- Virtual Student Recognition Assembly
- Parent/Teacher Association (PTA), Virtual Meeting
- GATE Steering Committee, Virtual Meeting
- School Site Council, Virtual Meetings
- English Language Advisory Committee (ELAC), Virtual Meetings
- Virtual Coffee with the Principal

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan (School Year 2020-2021)

Date the plan will be added: December 2020

Date the plan was last reviewed with the staff: January 2021

The Comprehensive Safe School Plan includes data regarding school crime, safe school procedures and compliance with laws including: (1) child abuse reporting, (2) disaster response, (3) suspension and expulsion policies, (4) notification of teachers of dangerous pupils, (5) sexual harassment, (6) schoolwide dress codes prohibiting gang-related apparel, (7) procedures for safe ingress and egress from school, (8) procedures to ensure a safe and orderly environment conducive to learning, and (9) rules and procedures on school discipline adopted pursuant to Ed Code Sections 35291 and 35291.5. A copy of the plan is available for inspection by the public at each school.

Our staff is committed to maintaining a safe, secure, and aesthetically pleasing environment for our students. The District's Comprehensive Emergency Disaster Plan is aimed at providing security for students, teachers, and family members in case of unexpected and disruptive events.

Suspensions and Expulsions for School Year 2019-2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	1.62	.78	N/A
Expulsions	0	0	N/A

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

Professional Development (Most Recent Three Years)

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement	23	26	14

The selection of focus areas for on-going professional development is based on a careful analysis of achievement data. The district calendar earmarks full days and early release time for providing site-based professional development for all teachers. Teachers also have opportunities to attend conferences and district-wide professional development throughout the year. During the 2019-20 school year all teachers at Palmer Way will receive approximately 30 hours of professional development in mathematics through the University of California Irvine subject matter project. This professional development will empower our teachers to deliver a cohesive, common core curriculum based on the CCSS. The project includes hands-on, research-based professional development, standards-based curriculum guides and unit plans aligned to the Common Core to assist our teachers in the implementation of our GoMath adoption. The Irvine Math Project team is comprised of classroom practitioners, math content experts, and math education researchers. A focus on professional development around the area of mathematics and ELA was selected in response to the needs highlighted in our CAASPP data. In the area of language arts, all of our teachers will receive in-depth professional development in the California ELA/ELD framework. The ELA/ELD framework professional development has been selected as an area of focus due to our high numbers of English language learners and the need for teachers to be excellent discerners of curriculum and materials needed to deliver robust and rigorous lessons. Both these areas of focus have been delivered through teacher release days, bi-weekly data team meetings, collaboration days and weekly staff meetings, off the clock offerings and during individual teacher planning days. We have four Teachers on Special Assignment (TOSA) that provide workshops in the area of Language Arts and English Language Development. We also have credentialed teachers that provide Engineering is Elementary lessons for students. This provides opportunity for the Language Arts and ELD workshops. With our new English Language Arts adoption, all teachers will receive staff development in the implementation of our newly adopted BENCHMARK materials. To support daily, robust and rigorous reading, our district office has adopted the American Reading Company 100 book libraries. All teachers will receive staff development on the implementation and best practices used for these reading baskets for students. Our counselors have received training on the Sanford Harmony social-emotional curriculum which they will deliver in each classroom. Counselors will deliver this curriculum in all classrooms while teachers support the implementation and lesson delivery. In addition, all teachers have received professional development on how to run restorative circles in their classrooms in order to deliver Tier I positive behavior interventions and supports to all students. of focus for teacher training include effective instructional strategies for implementation of Common Core Standards, best practices for Data Teams collaboration, ELA Benchmark curriculum, curriculum training in writing, language arts and mathematics, as well as specific training to support the needs of English Learners. Teachers of students with special needs and teachers of newcomer students also receive specialized training to assist them in meeting the unique needs of their students. This professional development is provided in various formats, including whole staff group, grade-level teams, and through individual mentoring by the school administrator. The District also assists in the coordination of BTSA Induction Support for year one and two teachers. Teachers who are experiencing difficulty or need improvement have access to the PAR (Peer Assistance Review) Program.

In addition to district level professional development focused around English language arts and math, Palmer Way also has a strong focus on Writing. Many hours of professional development are spent on identifying, studying and implementing Writing Strategies. At Palmer Way we believe that the skills most important to develop in young children, is a love of reading and writing. A child with a book or pencil in her hands is a child with a bright future in front of her. Reading and writing may be looked at as fundamental skills within the classroom, but their use remains essential long after one's formal education comes to an end. Living in the digital age has made literacy even more important, as communicating professionally via writing is an important skill in most workplaces. At a time when professionals spend one third of their time reading and writing emails, written communication is more important than ever before for success in academics and beyond. The earlier in life writing skills are developed, the stronger these skills will be in the long run, highlighting the importance of writing in elementary school.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.
