2021-2022 School Accountability Report Card (Published During the 2022-2023 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>

For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2022-23 School Overview

At John A. Otis we believe in creating a safe, nurturing environment. We are active participants with parents and community members to create an ideal environment for all students. We provide a solid foundation for all of the students in reading, mathematics, problem-solving, and writing. The achievement of every student is a priority.

At John A. Otis School,

We Promise

- A safe, nurturing learning environment
- An active partnership with parents and the community
- A solid foundation in reading, writing, and problem-solving
- A focus on individual student achievement

We Believe

- All students will learn
- Student success is everyone's responsibility
- Our community's cultural diversity enriches learning opportunities

John A. Otis Mission Statement

The mission of the staff, students, parents, and community of John A. Otis Elementary School is to achieve optimum academic, physical, and emotional potential for each student. We work cooperatively in a positive learning environment that supports our mutual belief that education has value. John A. Otis Elementary School maintains a safe, orderly environment that provides a pleasant, efficient climate in which current technology reinforces educational goals.

2022-23 School Overview

Message from Principal, Leticia Segura

Dear Families,

Welcome to the 2022-2023 school year. It is an honor to continue to serve as the School Principal at John A. Otis Elementary school. Our mission is to serve students while providing an exemplary, world-class education focused on Common Core State Standards in a safe and nurturing environment. At John Otis, we have excellent teachers, and support staff who are committed to developing exceptionally prepared learners filled with compassion and innovation. Working together as a team, we will do “Whatever it Takes” to ensure the academic and social, and emotional success of our students.

We continue to establish a safe campus by implementing Positive Behavior Interventions and Restorative Practices to strengthen relationships. Our staff and students know the importance of being Respectful, On task, Always safe, and Responsible, the Tiger ROAR way! John Otis received Platinum recognition in 2019 and 2021 for the CA PBIS Coalition, for all our efforts.

Family engagement and parent empowerment are critical to the success of our students. We encourage you to join our John Otis PTA, and participate in our School Site Council Committee, ELAC Committee, and Coffee with the Principal virtual meetings! I am looking forward to working with you and your child this year. Go Tigers!

Dr. Leticia Segura, Principal

A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

School Facility Conditions and Planned Improvements

John Otis' main campus was built in 1927. Since our opening the following major renovations or improvements have been addressed:

- 1987 - Modernization consisting of new flooring, ceilings, lights, electrical, insulation, windows, painting, cabinetry, and an ADA elevator for the auditorium
- 1993 - Modernization consisting of new flooring, ceilings, lights, electrical, insulation, windows, painting, and cabinetry
- 1997 - Relocatables were added to support class size reduction
- 1998 - Relocatables were added to support class size reduction
- 1999 - Relocatables were added to support class size reduction
- 2006 - Refurbished stage; New lighting for the parking facility
- 2015/2016 - Modernization construction project was funded by the local bond funds (Measure N). The project included adding air conditioners to every classroom and multi-purpose room and upgrading electrical capacity. Additionally, a complete upgrade of our network cabling, as well as network infrastructure hardware upgrades at all sites including the district office, a complete replacement of the district fiber optic cabling network, and a complete reconfiguration of the network to accommodate higher speeds and greater network bandwidth.
- 2018 - Replaced a number of exterior walls on our modular buildings. In addition, the exterior of all campus buildings was painted. The soccer field was reconditioned.
- 2019 - New roof and skylights were added to the main building. A new roof was added to Room 13. A new garden and playground equipment were added. New carpets were added to rooms 8, 13, and the hallway in the main building. The artificial turf was reconditioned (new padding and borders added).
- 2022 - Hardwood floors were re-done in the hallway, office, and room 4. Plumbing was also replaced on the west wing of the main building. Turf replaced the grass in the Preschool/KN Playground.

Ongoing—The school is highly maintained with new paint, plants, flowers, and, grass.

John A. Otis has 16 regular classrooms, a room for our Resource Specialist Program, a room for our literacy support personnel, (16 are portable buildings), offices for support personnel (speech and language specialist, psychologist, language arts specialist, counselor, and enrichment teachers), a parent center, after school homework labs, and a school library.

Maintenance and Repair

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and emergency repairs are given the highest priority.

Cleaning Process and Schedule

We have made a conscientious effort to provide a clean and attractive campus. Students are encouraged to have pride in their school and keep the campus clean. The District Governing Board has adopted cleaning standards for all schools in the District. A summary of these standards is available at the school office or at the District maintenance office. The principal works daily with the custodial staff and the custodial supervisor to develop a cleaning schedule to ensure a clean and safe school.

The Facilities Inspection Tool (FIT)

The FIT is used on a yearly basis to identify facility needs and repairs. All items found in need of repair on the FIT are addressed. Items that involve asphalt, roofing, flooring, or painting are addressed through the District's deferred maintenance program. All other items are expedited into the National School District work order system and repaired by our maintenance department.

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
4. **College and Career Ready**
The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

SARC Reporting in the 2020-2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

Options

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2020-21 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-21 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-21 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-21 school year to other school years.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2020-21	School 2021-22	District 2020-21	District 2021-22	State 2020-21	State 2021-22
English Language Arts/Literacy (grades 3-8 and 11)	N/A	34	N/A	33	N/A	47
Mathematics (grades 3-8 and 11)	N/A	29	N/A	22	N/A	33

2021-22 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

2021-22 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2021-22 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. Due to changes to the 2021-22 PFT administration, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2022-23 Opportunities for Parental Involvement

Contact Person Name: Araceli Welch
Phone Number: (619) 336-8800

Research shows a high correlation between parent involvement and effective schools. Parents and community members are essential to our educational community and are encouraged to be involved in their child's education. Parents are continuously encouraged to play an active role in our Parent and Teacher Association (PTA), participate in leadership positions of our District Parent Advisory Council (DPAC), our School Site Council (SSC), English Language Advisory Committee (ELAC), and collaborate in our Positive Behavior Intervention Supports (PBIS) Tier I Committee. Due to our safe re-opening plan, we have suspended all volunteers from coming on campus; therefore all meetings are being held virtually.

Our John Otis weekly parent newsletter provides our school community with updates about school events and information. All families receive an electronic version of our weekly parent newsletter to share announcements, meeting dates, parent training, and community resources. In addition, parents receive additional communication via Peachjar and our John Otis marquee. Coffee with the Principal meetings and ELAC meetings provide parents with training on how to support their children at home during distance learning.

Under normal circumstances, our home-to-school partnerships are strengthened via:

- PTA/Family Events
- Safe Routes to School Program
- Student Council Spirit Days
- Access to technology at home (iReady Online-Reading and Math, Prodigy, and Raz Kids)

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-20 suspensions and expulsions rate data are not comparable to other year data because the 2019-20 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-20 school year compared to other school years.

Subject	School 2019-20	District 2019-20	State 2019-20
Suspensions	0.85	0.78	2.45
Expulsions	0.00	0.00	0.05

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

2022-23 School Safety Plan

SB187 Safety Plan

Date the plan was last updated: February 2022

Date the plan was last reviewed with staff: October 2022

The Comprehensive Safe School Plan includes data regarding school crime, safe school procedures, and compliance with laws including (1) child abuse reporting, (2) disaster response, (3) suspension and expulsion policies, (4) notification of teachers of dangerous pupils, (5) sexual harassment, (6) schoolwide dress codes prohibiting gang-related apparel, (7) procedures for safe ingress and egress from school, (8) procedures to ensure a safe and orderly environment conducive to learning, and (9) rules and procedures on school discipline adopted (10) National School District's COVID-19 Safe Re-Opening Plan page and (11) Annual Notification Handbook for Parents pursuant to Ed Code Sections 35291 and 35291.5.

A copy of the plan is available for inspection by the public at each school. Safety information is also provided via our Safety Flip-charts that are hung in every classroom and reviewed yearly with staff. Our staff is committed to maintaining a safe, secure, and aesthetically pleasing environment for our students. The District's Comprehensive Emergency Disaster Plan is aimed at providing security for students.

Professional Development

The selection of focus areas for ongoing professional development (PD) is selected in response to the needs highlighted in our iReady ELA and Math data. The district calendar earmarks full days and early release time for providing site-based professional development to support teachers with ELA & math curriculum, best instructional practices, data analysis to inform instruction, to strengthen our Positive Behavior Intervention and Support (PBIS) practices, and ways for teachers to be excellent discerners of curriculum and materials needed to deliver robust and rigorous lessons. In addition, we have strengthened our Multi-Tiered System of Supports (MTSS) process. Our MTSS leadership team met for three full days this year to analyze school data, school-wide SWIFT FIA data, and establish school-wide goals. PD has been delivered through teacher release days, collaboration days, weekly staff meetings, off-the-clock PD offerings, and individual teacher planning days.

We have four Teachers on Special Assignment (TOSA) that provide coaching support in the area of Language Arts and English Language Development. To support daily, robust and rigorous reading, our district office has adopted the American Reading Company. All teachers continue to receive coaching support on the implementation and best practices used for IRLA assessments, and ARC resources in SchoolPace and ARC Bookshelf. Our counselors have received training on the Sanford Harmony social-emotional curriculum which they will deliver in each classroom. Counselors deliver this curriculum in all classrooms while teachers support the implementation and lesson delivery. In addition, teachers have received professional development on how to run restorative circles in their classrooms in order to deliver Tier I positive behavior interventions and supports to all students. The District also assists in the coordination of BTSA Induction Support for year one and two teachers. Teachers who are experiencing difficulty or need improvement have access to the PAR (Peer Assistance Review) Program.

This table displays the number of school days dedicated to staff development and continuous improvement.
