2021-2022 School Accountability Report Card (Published During the 2022-2023 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>

For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2022-23 School Overview

Olivewood School is an elementary school that serves students in preschool through sixth grade. The main building for Olivewood School was built in 1959. Portable classrooms have been added to the campus as needed. The buildings are well maintained and the grounds are beautifully landscaped. A school garden is also part of the campus.

Olivewood School's mascot is the wise owl. Students are guided to make wise choices by:

- Owning their actions;
- Working to succeed;
- Learning for the future; and,
- Showing respect and kindness.

At citizenship assemblies students are acknowledged for demonstrating the traits of being a wise owl.

Olivewood's Promise, Mission Statement and Core Values District-wide of "Children First, Whatever It Takes, and Relationships Matter" guide us in our commitment to developing successful lifelong learners.

At Olivewood School,

We Promise

- A safe, nurturing learning environment
- An active partnership with parents and community
- A solid foundation in reading, writing, and problem-solving
- A focus on individual student achievement

We Believe

- All students will learn
- Student success is everyone's responsibility
- Our community's cultural diversity enriches learning opportunities

2022-23 School Overview

Olivewood's Mission Statement

At Olivewood, we are committed to ensure quality and excellence in all aspects of the curriculum. We value and foster the partnership we have between our school and the parent community. We join forces as we continue "Growing Towards the Future."

Message from Principal, Zulma Santana

We are very proud of our school and our school community. Our students' social emotional and academic growth are our top priority! We believe all students can and will succeed. We are committed to providing a high quality educational program to all of our students. We have strategically designed programs that dramatically impact the growth and development of our students. Our staff is committed to ensuring an educational experience that promotes academic success. We have high expectations for our students and ourselves.

California has adopted the Common Core State Standards (CCSS). These standards have also been adopted by other states throughout the United States bringing a consistency to teaching and learning as well as instruction and expectations for students throughout the United States. Due to the adoption of the Common Core State Standards, our instructional practices have changed as we have made the transition from the California State Standards to the Common Core State Standards. In National School District and at Olivewood School, we are continuing our implementation of the Common Core State Standards. School staff has and will continue to participate in staff development activities that will "grow our knowledge" to implement the Common Core State Standards with our students. The Common Core State Standards are designed to bring out our students' best thinking and learning and to ensure that all students are college and career ready when they graduate from high school.

Parents are an invaluable resource to our school and our students. We know that parent engagement is a strong predictor of a student's success and we work diligently to foster the partnership between our school and our students' parents and/or guardians. It is vitally important that parents are involved with their child's education. It takes all of us to ensure that an excellent instructional program is offered and that we work together to assist our families and our school to fully meet the needs of our students.

This School Accountability Report Card presents a variety of information about our school that we hope you find informative and interesting. We acknowledge that everyone who contributes to our school makes a difference in the lives of our students. With the support of our parents, community and the District we are able to offer our students an instructional program that allows them a wide variety of opportunities to progress academically and to reach their fullest potential. We hope that the information included in this report will assist you in your involvement in your child's education as we work together in our commitment to provide the best educational experience each and every student at Olivewood School.

A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

School Facility Conditions and Planned Improvements

Olivewood's main campus was built in 1959. Since our opening the following major renovations or improvements have been addressed:

- 1999 - Modernization consisting of new flooring, ceilings, lights, electrical, insulation, windows, painting, and cabinetry.
- 2015 - A high speed and wireless network was added to every classroom on the site.
- 2016 - Air conditioning was added to all original buildings, including every classroom on the site. Additionally, the electrical and the fire alarm systems were upgraded to support the air conditioning and one-to-one computing.
- 2018 - Exterior walls have been removed and replaced on a many of the portable buildings on the site.
- 2019 - Additional parking lot was built with more than 50 parking spaces.
- 2021 - Turf was added to the Kindergarten area to provide a mini-soccer area for children.
- 2022 - A cemented patio area for students to ride the tricycles was added to the Kindergarten recess area. In addition, a patio garden area with shaded picnic tables for outside learning and family events was added.

Ongoing—The school is highly maintained with new paint, plants, flowers, grass, and new playground equipment.

Olivewood has 18 regular classrooms and 16 classes in relocatable buildings. There are one to one devices for all students TK through sixth grade. We have a tech room for our student news broadcast program. All classrooms have a Promethean Board that is supported by a laptop computer: We also have a Promethean board in our Special Day Classes; one in our resource specialist program room; one in our computer lab; and one in each of our reading labs.

Maintenance and Repair

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority.

Cleaning Process and Schedule

We have made a conscientious effort to provide a clean and attractive campus. Students are encouraged to have pride in their school and keep the campus clean. The District Governing Board has adopted cleaning standards for all schools in the District. A summary of these standards is available at the school office or at the district maintenance office. The principal works daily with the custodial staff and the custodial supervisor to develop cleaning schedules to ensure a clean and safe school.

The Facilities Inspection Tool (FIT)

The FIT is used on a yearly basis to identify facility needs and repairs. All items found in need of repair on the FIT are addressed. Items that involve asphalt, roofing, flooring or painting are addressed through the District's deferred maintenance program. All other items are expedited into the National School District work order system and repaired by our maintenance department.

New School Projects

The new school construction project funded by local bond funds (Measure N) was completed during summer of the 2015-16 school year. The projects included adding air conditioners to every classroom and multi-purpose room and upgrading electrical capacity for four school sites. Additionally, a complete upgrade of our network cabling, as well as network infrastructure hardware upgrades at all sites including the district office, a complete replacement of the district fiber optic cabling network and a complete reconfiguration of the network to accommodate higher network speeds and greater network bandwidth.

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
4. **College and Career Ready**
The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

SARC Reporting in the 2020-2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

Options

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2020-21 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-21 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-21 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-21 school year to other school years.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2020-21	School 2021-22	District 2020-21	District 2021-22	State 2020-21	State 2021-22

Mathematics (grades 3-8 and 11)	N/A	17	N/A	22	N/A	33

2021-22 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

2021-22 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2021-22 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. Due to changes to the 2021-22 PFT administration, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2022-23 Opportunities for Parental Involvement

Olivewood community believes that Parent Engagement is essential for student success.

Please contact Lupita Saunders at (619) 336-8752 for parent involvement opportunities.

Here are a few examples of parent involvement opportunities:

- School/Classroom Newsletter and Class Dojo communication
- Parent Workshops Sponsored by Teachers
- Parent Nutrition Workshops
- Parent Teacher Association (PTA)
- Family Curriculum Night
- School Festivals & Programs
- Back to School Night
- Open House
- Parent-Teacher Conferences
- School Site Council
- English Learners Advisory Committee (ELAC)
- Parent Education Classes
- Coffee with the Principal
- School assemblies

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-20 suspensions and expulsions rate data are not comparable to other year data because the 2019-20 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-20 school year compared to other school years.

2022-23 School Safety Plan

SB187 Safety Plan

Date the plan was last updated: February 2022

Date the plan was last reviewed with the staff: December 2022

The Comprehensive Safe School Plan includes data regarding school crime, safe school procedures and compliance with laws including: (1) child abuse reporting, (2) disaster response, (3) suspension and expulsion policies, (4) notification of teachers of dangerous pupils, (5) sexual harassment, (6) school wide dress codes prohibiting gang-related apparel, (7) procedures for safe ingress and egress from school, (8) procedures to ensure a safe and orderly environment conducive to learning, and (9) rules and procedures on school discipline adopted pursuant to Ed Code Sections 35291 and 35291.5. A copy of the plan is available for inspection by the public at each school. Safety information is also provided via our Safety Flip Charts that are hung in every classroom and reviewed regularly.

Our staff is committed to maintaining a safe, secure, and aesthetically pleasing environment for our students. The District's Comprehensive Emergency Disaster Plan is aimed at providing security for students, teachers, and family members in case of unexpected and disruptive events.

Professional Development

Olivewood School is determined to give students the highest quality education possible. In order to meet students' needs, we believe that professional development is an important educational component. At our school site we are primarily focused in two areas, Language Arts and Mathematics. This is a decision derived by our school data and student needs. Educators learn best practices in these fields in various ways. Professional learning communities, workshops, conferences, and lesson studies are some of the ways that Olivewood teachers excel in their learning and teaching.

Teachers are supported continuously. During implementation, the principal is in classrooms daily observing and providing valuable feedback. The school has a leadership team that also provides ideas such as lesson studies, coaching, and walkthroughs to learn from each other. Data teams meet monthly and reflections are done on student progress. Teachers reflect on what is working, what needs refining, and next steps. Classroom educators also have constant communication with our Language Arts Specialist who is an expert in her field and she provides coaching, suggestions, co-teaching, and facilitating of professional development.

In addition, the National School District calendar earmarks full days and early release time for providing site-based professional development for all teachers. The District also assists in the coordination of the New Teacher Induction Support Program for year one and two teachers. Furthermore, educators who are experiencing difficulty or need improvement have access to the PAR (Peer Assistance Review) Program.

This table displays the number of school days dedicated to staff development and continuous improvement.
