2022-2023 School Accountability Report Card (Published During the 2023-2024 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fq/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 School Description and Mission Statement

Las Palmas School is located in National City, California, a close-knit community south of San Diego. Las Palmas is a preschool to sixth grade elementary school. Approximately forty eight percent of our students are English Language Learners and 76% of our students meet low-income criteria. The staff consists of 19 certificated classroom teachers, 3.5 special education teachers, 2 impact teachers, 30 classified employees, 1 MTSS Coordinator, and 6 support staff.

School Mission Statement and Core Values

La Palmas School is more than an elementary school. It is an educational community. The staff, students, and their families are caring, respectful, and work together to provide a high-quality education for all children. We believe in the cumulative, purposeful effect of our instruction. We care deeply about our students' education before they come to our classrooms, for the temporary time they are with us, and long after they leave us. Our goal is to provide a nurturing environment that will promote lifelong learners and contributors to our society. We believe in our National School District's three Core Values.

"Children First"

"Whatever it Takes"

"Relationships Matter"

Message from Principal, R Berenice Walker:

Welcome to Las Palmas Elementary School - Home of the Gators! I am very excited and honored to be at Las Palmas Elementary for the 2023-2024 school year! I look forward to helping maintain the collective goal to "Create Successful Learners Now!" and to provide a positive, nurturing environment for all students to learn and grow. We will do this through our positive behavior expectations: Be Safe, Be Responsible, Be Respectful, Be Kind.

I look forward to building strong partnerships with our school community so that we may explore new ways to meet the needs of our students and support their academic growth. Be on the lookout for opportunities to be involved at Las Palmas through our parent groups (PTA, SSC, ELAC).

You, the parents, and community members, are always welcome at Las Palmas. Join us as we continue to create a school where all of our students are successful!

A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

School Facility Conditions and Planned Improvements

Las Palmas' main campus was built in 1955. Since our opening the following major renovations or improvements have been addressed:

- 1993 - Modernization consisting of new flooring, ceilings, lights, electrical, insulation, windows, painting, and cabinetry
- 1997 - Relocatable classrooms were added to support class size reduction
- 1998 - Relocatable classrooms were added to support class size reduction

Ongoing - The school is highly maintained with new paint, plants, flowers, grass and new playground equipment.

- 2006 - A Computer Lab Relocatable building was added
- 2015 - A high speed and wireless network were added to every classroom on the site.
- 2016 - Air conditioning was added to all original buildings, including every classroom on the site. Additionally, the electrical and the fire alarm systems were upgraded to support the air conditioning and one-to-one computing.
- 2017 and 2018 - Exterior walls have been removed and replaced on many of the portable buildings on the site.

Las Palmas currently has 18 regular classrooms and 17 relocatable buildings

- 2022 - New concrete in the lunch quad, repainted the school, and updated landscaping across campus.
- 2023 - Refurbished the front office with new desks, counters, and flooring. The cafeteria has new flooring installed. Library was revamped with new flooring and furniture. Several classrooms had flooring replaced. All classrooms received new desks and chairs for students. Ongoing landscaping throughout the campus, in addition to a new TK playground.

Maintenance and Repair

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority.

School Facility Conditions and Planned Improvements

Cleaning Process and Schedule

We have made a conscientious effort to provide a clean and attractive campus. Students are encouraged to have pride in their school and keep the campus clean. The District Governing Board has adopted cleaning standards for all schools in the district. A summary of these standards is available at the school office or at the district maintenance office. The principal works daily with the custodial staff and the custodial supervisor to develop cleaning schedules to ensure a clean and safe school.

The Facilities Inspection Tool (FIT)

The FIT is used on a yearly basis to identify facility needs and repairs. All items found in need of repair on the FIT are addressed. Items that involve asphalt, roofing, flooring or painting are addressed through the District's deferred maintenance program. All other items are expedited into the National School District work order system and repaired by our maintenance department.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23

Mathematics (grades 3-8 and 11)	24	23	22	25	33	34

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

2022-23 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2023-24 Opportunities for Parental Involvement

Las Palmas strives to involve parents in motivating students to love learning and be successful in school. We believe that with parents as team partners, we can make great academic and emotional strides with our children. We offer a variety of classes and workshops to our parents during our monthly Coffee with the Principal meetings. Topics for these meetings include workshops for technology, fostering reading skills, Positive Behavior Intervention and Supports (PBIS), Restorative Practices, and Safety. Parents also have the opportunity to attend the DPAC and DELAC workshops and a variety of other parent conferences offered through the San Diego County Office of Education. Parents may also participate in SSC and ELAC meetings. Our Parent Teacher Association has been creative in organizing fundraising and school celebrations that are intended to motivate our community.

Professional Development

The selection of focus areas for on-going professional development is based on a careful analysis of achievement data. The district calendar earmarks full days and early release time for providing site-based professional development for all teachers. Teachers also have opportunities to attend conferences and district wide professional development throughout the year. Areas of focus for teacher training include effective instructional strategies for implementation of Common Core Standards, teacher collaboration, curriculum training in writing, language arts (ARC and Benchmark) and mathematics (UCI Math Project), as well as specific training to support the needs of English Learners. In addition to these subject areas, professional development is provided to teachers on methods and best practices for using online platforms such as Panorama, Schoology, Seesaw, ARC, and other resources.

During the 2023-2024 school year, professional development will be provided in the areas of mathematics and ELA. These content areas were selected in response to the needs highlighted in our iReady and CAASPP data. In the area of language arts, all of our teachers will receive professional development in the California ELA/ELD framework and standards with a specific focus on vocabulary development and comprehension of informational text and literature. In math, professional development will address the domains of Number and Operations and Algebra and Algebraic Thinking. A secondary goal of all professional development is to address the needs of English learners to close the achievement gap between this group and their English only peers.

In addition to the academic areas, our teachers have received training on a variety of social-emotional curriculum which they will deliver in their classrooms. The curriculum will focus on a variety of topics with an emphasis on emotional regulation. This area was an identified need based on social-emotional student self-surveys and teacher surveys of students.

Professional development will be delivered through teacher release days, bi-weekly data team meetings, collaboration days, weekly staff meetings, off the clock offerings and during individual teacher planning days. Professional development is provided in various formats including whole group, grade-level teams, and through individual mentoring and coaching by our District Resource Teachers. The District assists in the coordination of BTSA Induction Support for year one and two teachers. Teachers who are experiencing difficulty or need improvement have access to the PAR (Peer Assistance Review) Program.

This table displays the number of school days dedicated to staff development and continuous improvement.
